

SAMARJEET BANIK

About me

I am interested in new and trending technologies and keep myself occupied in learning new topics and subjects. I too have interest in photography. Currently, I am having a hand-on experience in full-stack web development and trying out my knowledge in the specified field.

Projects and Works

Responsive Portfolio (Web App)

A simple web portfolio that showcases my knowledge on front-end web dev. This web app is built completely on HTML and CSS. (Still in progress, ongoing project). App-demo: samarjeetbanik.github.io/my-portfolio/
GitHub Repo: <https://github.com/SamarjeetBanik/my-portfolio>

To-Do List (Web App)

A simple and interactive "to-do list" using HTML, CSS and JavaScript, that features "adding a task", "marking a task completed/uncompleted", "deleting a task", and "deleting all tasks/clearing whole list". App-demo: samarjeetbanik.github.io/to-do-list/
GitHub Repo: <https://github.com/SamarjeetBanik/to-do-list>
